

Prop 13 Reform, Elected Official Endorsement:

<http://www.evolve-ca.org/close-the-loophole-resolution/>

So far, over 900 elected officials across California have gone on record supporting this commonsense reform, including State Senator Beall Chu and Assemblyman Ash Kalra.

On behalf of students and faculty at De Anza, Fund our Future asks the Assemblyman to add his name to the petition if he agrees to the following five principles of Prop. 13 reform.

- Assess commercial and industrial property at fair market value and close commercial property tax loopholes,
- Invest the resulting funds (\$9 billion a year) in the schools and local services we all depend on,
- Protect homeowners and renters from any changes,
- Provide tax relief for small businesses, and
- Include accountability provisions so new funds are spent appropriately

This reform is spearheaded by EVOLVE, a grassroots organization that is dedicated to improving the lives of all Californians.

This request is brought to you by Fund our Future, a student organization at De Anza College that advocates for more funding of higher education.
